

Oahu Capital & Infinity Futures

Oahu Capital (Hawaii Forex) brings the trader a comprehensive package for DiNapoli clients through our relationship with Infinity Futures! We are pleased to offer a simple hands on brokerage relationship that offers low transaction fees with state of the art trading tools.

Don't be fooled by other brokers offering LOW rates but HIGH monthly software fees or minimum usage requirements. We believe you'll agree our software, service, and support are the best. And as always, there are NO monthly software fees or minimum usage requirements. Are you an active trader looking for a firm that understands your needs? Established in 1996, Infinity Futures is a US based regulated futures and FOREX brokerage firm. Infinity offers trading tools, rates, service, and support specifically tailored to high volume traders.

The Infinity AT (Active Trader) is a direct connect platform that offers outstanding execution, functionality, low commission rates, and \$500 intra day margins for the equity indices.

Infinity Futures and the AT (Active Trader) order entry platform offers:

- \$500 day trade margins
- Low Commissions
- FREE trading platform
- FREE Direct Connect real time streaming data
- Live brokers to answer your questions or place orders
- Low starting balance

Trading Futures, Options on Futures, and retail off-exchange foreign currency transactions involves substantial risk of loss and is not suitable for all investors. You should carefully consider whether trading is suitable for you in light of your circumstances, knowledge, and financial resources. You may lose all or more of your initial investment.
